The next business at hand was the club eligibility rule. Marty Van Druten spoke on behalf of the committee. After a lot of work and many hours of discussion the committee found it hard to form a resolution to satisfy the majority. It was thought to be in the best interest of all for the committee to turn this over to the club officers and trustees. A motion was made to rescind last month's motion as presented by the committee and turned over to the executive board, second and passed. The board had a meeting and its discussion was presented to the members in attendance as set forth by the executive board. This was read before the membership and discussed for full and complete understanding by all.

Ray thanked the committee for their time and efforts in formulating a working eligibility rule. It was decided no further business and a motion made by Bruce Roslin to adjourn the meeting, 2nd by Butch Colosimo to adjourn, meeting ended at 8:35 PM
