

June 4, 2022

Dear ACOT / ECTQM car owner,

As in prior years, we are planning a stand-alone vintage event at Evergreen Raceway in St. John's, PA (1/3 mile paved oval, evergreenracewaypark.com). The event is scheduled for Saturday, July 9, 2022. At least three sessions of track time will be available to all cars, groupings to be determined by attendance.

Since we are renting the track for the day, this will be a pay-to-run event:

- **\$50** for each running car if **pre-registered** (check or **PayPal** accepted), or **\$60** for **same-day registration** (check or cash only). **See the enclosed registration form** for details. **Two** pit passes are included.
- **Free entry** for each display car. **One** pit pass is included.
- Additional pit passes will be available to anyone for **\$10** each.

**New for 2022** ... As part of our efforts to recruit new members, this year we're making the following special offer to event participants:

Those who have never been a member of either ACOT or ECTQM will receive a **FREE ACOT membership** for 2022 (should you decide to renew in future years, annual dues are \$20). Members receive our newsletters, and can participate in other events on our schedule, and our annual banquet in November.

**Also new for 2022** ... This year we're encouraging participants to bring along racecar-related items for inclusion in an informal **swap meet**. You will be able to display your items at your pit location, or in a separate area which will be reserved for this purpose. There is no additional charge to participate in the swap meet.

For further information, please call:

Keith Majka, ACOT President: 551-486-0173
