

GARDEN STATE VINTAGE STOCK CAR CLUB

Personal Safety Gear Requirements for Drivers and Car Owners

The following are required for all on-track club events as mandated by NJ State Police (Chapter 62, Oval Track Racing for Drivers - 2012):

- 1 Helmets must **meet or exceed** the current **Snell SA 2010** standard and be marked as such. No open-face helmets are allowed in NJ. All helmets must have an approved face shield (open-faced helmets may be permitted at out-of-state events);
- 2 Head and neck restraint ("HANS" device or similar);
- 3 Firesuits – one-piece fire suits required with a **SFI 3.2** rating or better and be marked as such;
- 4 Fire-resistant underwear, socks, shoes and gloves are mandatory (hood or head sock is optional);
- 5 Goggles and face shields – drivers must wear approved goggles or face shield of the type that **meets or exceeds** USA standard specifications for Head, Eye, and Respiratory Protection, **Z2.1 1959** testing standard;
- 6 Window nets on car or arm restraints must be usable by driver;
- 7 Safety belt, shoulder harness and crotch belt (5 point mounting) with **2 year** date limit are required;

ALL CAR OWNERS and DRIVERS are responsible for the compliance of their safety gear as mandated by the NJ State Police in Chapter 62 (Oval Track Requirements).
